Since 2009, [Celebration NYE](#) has welcomed thousands of LGBTQIA+ people from across the globe to experience the Sydney New Year's Eve fireworks, make new friends and meet old ones again.

This year marks the 12th sparkling LGBTQIA+ fireworks event at Circular Quay, on the stunning rooftop Sculpture Terrace at the Museum Of Contemporary Art, Sydney.

[Celebration NYE22/23](#) is an all-inclusive, exclusive, private party for all the LGBTQIA+ family, hosted by Points Of Difference Travel And Events in their exuberant style. With a strictly limited capacity of 300 tickets, don't miss the most glamorous LGBTQIA+ New Year's Eve party in Sydney.

Enjoy a delicious six-hour food and beverage package with French Champagne on arrival. Groove to the tunes from DJs Mark Alsop and Rob Davis. These two stalwarts of the Sydney DJ scene will combine for an amazing tête-à-tête set that will put a smile on your face! There will also be a live feed of the official soundtrack to both the 9pm and midnight fireworks, so you get to enjoy the full audio and visual experience!

The DJs are but the tip of the entertainment iceberg, and they will be aided and abetted in their duties by the

incomparable Frock Hudson as MC. In addition to belting out a few choice tunes during the evening, Frock will also keep you up to date on the evening's festivities and happenings on the harbour and the buffet! Just keep him away from the Mac and Cheese station.

So, join the cool crowd in your best white outfit, party like its 1999 and kiss 2022 goodbye!
